## *The Careful Planning*

THE CAREFUL PLANNING AND GOOD BREEDING THAT HAVE BEEN BUILT INTO THESE TWO STRONG HERDS WILL RESULT IN PROGRESS IN THE HERDS OF THE NEW OWNERS OF THE 60 LOTS BEING OFFERED IN THIS SALE.

Tracey Hunsecker, Jr., started this present Shorthorn herd now numbering 90 breeding females with the purchase of two registered Shorthorn cows in 1938. As a member of the Future Farmers of America, he had fed steers of all breeds in his FFA projects, and his decision to select Shorthorns was made because he found that they produced the cheapest gains on the same amount of feed of all the breeds he had fed. By the time he had his herd up to sixteen head, his father became interested in the herd that he had been keeping on a small pasture at the edge of Broken Arrow. Then followed the partnership between father and son, which today results in the 400 acre Willowdale Stock Farms, operated by Tracey, Jr. Across the road from the farm headquarters is the splendid new home of Mr. and Mrs. T.M. Hunsecker, Sr. Tracey, Sr. was recently chosen president of the Tulsa Livestock Exposition, Inc., and is the owner and operator of Broken Arrow's leading Department store of which Tracey, Jr., is president. Willowdale Farms have long been northeastern Oklahoma's leading source of top Shorthorns. Continued improvement has been made with purchases of breeding animals from Sni-A-Bar Farms, Merryvale Farms, Edellyn Farms, D.H. Clark, Tomson Bros., C.M. Caraway & Sons, W.A. Dryden in Canada, West Hatton Farms and the Allen Cattle Co.

Sale visitors will have the opportunity of attending the Tulsa State Fair and Livestock Exposition, where \$4,000. in prize money is being offered in a show that will be staged in the newly completed \$100,000. show barn at the Tulsa Exposition grounds.

Dr. Mark Cooper, Tulsa businessman, secured his first Shorthorns in the Hunsecker Sale of 1943 with his purchase of the top females. His good judgment in selection at all times is substantiated by the fact that some of the top cattle in this sale are out of the foundation females he selected, at Willowdale. He has also added females from the herds of D.H. Clark, Tomson Bros., Sni-A-Bar Farms, Edellyn Farms, and Oklahoma A. & M. College. He has used two of the best bulls ever to come to Oklahoma in Sunnyside Royal Leader 2d and Edellyn Royal Leader 45th. I would like to recommend the "45th" to any owner of a strong Shorthorn herd in need of a bull still in his prime that is not only an outstanding individual, but an outstanding sire. Several of the Cooper females selling in this sale would be hard to equal anywhere.

It is indeed unfortunate that the Doctor's other business makes it necessary for him to disperse his herd at this time. As such, the opportunity of his joining Willowdale Farms in making this offering of nearly 100 head of cattle available, is certain to provide one of the best buying opportunities of the year.

Mervin F. Aegerter, Sale Manager

## To Those Interested In Shorthorns

In 1943 I became interested in beef-type cattle and after consideration and comparison of the merits and characteristics of the three breeds, I decided Shorthorns were my choice. The gentle dispositions, weight-for age, and observation that actual dirt farmers preferred them, helped influence me.

Getting the right herd bull was a problem to be met and attending the 1945 Edellyn Sale offered a possible solution. The Royal Leader-Mercury cross seemed to produce the best results and before very long I owned two Royal Leader bulls. One a son of Edellyn Royal Leader 3d, and another the son of Edellyn Royal Leader Imp. in dam. I chose to keep the son of Edellyn Royal Leader rather than the grandson because of a better head and a slightly deeper red color.

I mailed a picture of this six-months old calf to Allen Atlason, receiving in return, a letter complimenting the calf and suggesting he be named Edellyn Royal Leader 45th. I felt this unsolicited invitation to be quite a compliment to the bull and a courtesy I shall always appreciate. This bull is prepotent to the highest degree. Has never sired a white or even a light roan calf. Without exception, his calves all have good Royal Leader heads is a very attractive feature.

In this sale I include every Shorthorn I own except a few steers and one or two young bulls. It is impractical for me to take time away from my profession to fit and show cattle as is usually done to promote publicity and sales. This is the reason for the disposal of my Shorthorns. Russell Kelce once said prior to one of his sales, "It is a lot more fun buying them than it is selling them." I agree with him. I intend to retain the friends I have among the Shorthorn breeders. They are a fine group of men and it has been a real pleasure to have been associated with them.

Sincerely,  
Dr. W. Mark Cooper

EDELLYN ROYAL LEADER 45TH - One of the best sons of Edellyn Royal Leader to ever be offered for sale. He has a great head, he is very short legged with wonderful smoothness and is covered from end to end with a wealth of thick, natural fleshing. His calves are all dark colored and good headed. His first calf, a heifer was taken right out of the pasture and shown at the 1949 Tulsa State Fair where she was made reserve grand champion female. Notice that his dam is by Edellyn Silver Mercury, by the Perth Supreme champion, Calrossie Mercury. This is the Leader-Mercury cross that is making history for the Shorthorn breed. Edellyn Royal Leader 45th and his calves in this sale offer ample proof that he will be one of the best buys in a proven herd sire to be offered this year.

SUNNYSIDE STEPHANOTIS - This should be the buy of the year for some one. She is an ideal Shorthorn Cow, very few breeders' have ever owned a cow this good. We took her right out of the pasture and made her reserve Champion heifer at Tulsa. We thought she was good enough to breed to one of the best bulls in the Southwest so we sent her to the L.P. Burford farm and bred her to Campeon Upright, a heifer was born to this mating and she will sell as a separate lot.

Tracey Hunsecker, Jr., and Tracey Hunsecker, Sr., with Willowdale Royal Missie 2d, undefeated junior yearling heifer of three Oklahoma State and regional fairs in the fall of 1947.

I think most of you know how I feel about this Shorthorn business. It has become an important part of my life. It is constantly in my thoughts and it gets into every phase of my conversation sooner or later.

I have tried to put a great deal into it - to make people Shorthorn conscious - and, in return, I have gotten a great deal out of it.

Our plans here at Willowdale farm are to keep right on improving the Shorthorn cattle that we are so proud of, and to have for the buyers from year to year, better and better cattle for you to pick from. I think the Shorthorns that Dr. Cooper and I are offering this year in our sale are the kind that will go out and do good for anyone that has the last bid on them. They are indeed a useful lot with most of the females selling being cows with calves at foot. This combination is hard to beat for a quick profit for the buyer in a purebred sale.

We want to extend to you a cordial invitation to our Willowdale Farm and wish you all a happy and successful day.

Cordially,

Tracey Hunsecker, Jr.

*Best Buy OF THE YEAR Sale!*

WILLOWDALE ANNETTE 4TH - Sired by the great breeding bull Miles-of View Type by Imp. Calrossie Prince Peter. Very few of his daughters will be for sale from now on as we have lost the service of the old bull. We think she is the best female we have ever sold in one of our sales and if we did not have a full sister to keep in the herd she would not sell. She was in the show string when we went to Denver and stood third in a strong summer yearling class. Will have a calf by side sired by our champion bull Willowdale Randolph.
